Warrandyte Mechanics Hall

Cnr Yarra St & Mitchell Ave. Warrandyte

Drum Space is a new one hour show that incorporates David's powerful Rock 'n' Roll and Fusion playing as well as his renowned Subtle Soundscapes.

This is a sonic treat for music lovers.

**An experience like no other
and a tour-deforce of rhythmic magic.**

David is often described both here and abroad as being one of the most innovative and musical drummers in the world. His mesmerising drum solos are dramatic, humorous, surprising and powerful. In the hands (and feet) of David Jones, the drum kit comes alive as a mini-orchestra, vaudeville act, rhythmic explosion and hypnotic trance-inducer, all in one. David creates a universe of sounds, textures and rhythms that take you through different cultures, ages, moods and styles.

David is an Honorary Fellow at the Victorian College of the Arts and was awarded the prestigious Melbourne Prize for Music in 2010.
